### ●●● TRAINING BIO

Meet the transformative force in corporate training, Dan Baker—celebrated Global Human Resources luminary and captivating Training Facilitator. With a stellar three-decade career, Dan joined AIM in 2018, seamlessly merging his expertise as a Compensation consultant with his magnetic prowess in the training arena.

Dynamic and insightful, he elevates leaders-to-be through immersive sessions on Leadership, Emotional Intelligence, Conflict Resolution, and Effective Communications. Having steered international teams, Dan's training transcends borders, infusing a global perspective. Beyond his training prowess, he indulges in the culinary arts, experimenting with flavors, and explores the world, all while passionately cheering for the Boston Bruins.

Dan's knowledge and structured approach kept my attention. He is very good at communicating with and engaging the audience.
