●●● TRAINING BIO

Say hello to Steve Pangione, a seasoned training facilitator with a 25-year Human Resources background spanning diverse sectors like Education, non-profits, High Tech, and Bio/Medical Devices.

His facilitation philosophy effortlessly transforms theory into practicality, drawing from his vast professional and personal experiences. Steve stands out for his natural approach, infusing sessions with humor and interactivity while steering clear of traditional lectures.

With a journalism background, he excels in active listening and objectivity. Beyond his corporate expertise, Steve is a wine educator, seamlessly integrating his passion for wine with his training proficiency.

Steve demonstrated a clear understanding of different learning styles, making the training engaging for all involved. Steve is incredible!
